

Terms and Conditions

Please carefully review the following Agreement which contains the Privacy Policy and Terms of Use. The Agreement addresses the services provided, privacy, confidentiality, and copyright issues related to your use of this portal. If you choose "Accept" at the end of this Agreement you are agreeing to allow your Personal Information as defined below to be used according to these policies and terms and to having services delivered to you in compliance with them; if you choose "Cancel" you are disagreeing with the policies and terms and you will not be allowed to use the Site.

PRIVACY POLICY

The privacy of your health information (Personal Information) is a key concern for Haztech. We at Haztech take this responsibility very seriously and have taken steps to ensure that your health information will be protected and kept private and confidential. To help ensure privacy of your data, never share your username and password with anyone who you do not want to access your data.

We are required by the Health Insurance Portability and Accountability Act of 1996 and other applicable federal and state laws to maintain the privacy of Personal Information that we hold, develop, or receive from other sources. We are also required to give you this policy about our privacy practices, our legal duties, and your rights concerning your medical information. We must follow the privacy practices that are described in this policy while it is in effect. Any Personal Information collected through this Site will be confidential and will not be disclosed without your express permission except as required or authorized by law, or as described in this Privacy Policy.

This Privacy Policy is in addition to our general Terms of Use, both of which we urge you to read. By accepting the Agreement and using the Site, you agree to be bound by the terms of this Privacy Policy and by our Terms of Use. Use of the Site means the entry of any information provided by you after you accept this Agreement and includes such things as the initial registration and first logon process, accessing the site and any other actions while on the site.

What We Will and Will Not Do with the Information Provided to Us

We respect your privacy by treating all data that we receive from you as confidential. We use and disclose Personal Information only for healthcare operations. Authorized employees of Haztech may access your Personal Information to perform these services.

Your information is used to:

- Provide easy access every time you reenter the Site without requiring reentry of registration information.
- Provide health improvement programs, services, and information that is most relevant to your needs based on the health data entered by you or loaded from external sources.
- Operate and track wellness program progress, and manage and fulfill incentive programs.
- Coordinate the delivery by various wellness program vendors of services such as health assessments, health screenings, health coaching and health education.
- Provide referrals for you to other health related providers and services.

We will never release, sell, rent, or otherwise provide any Personal Information on any users to any third party except as provided for in this section unless: (1) you expressly tell or permit us to disclose such information or (2) we believe in good faith that we must do so to comply with legal requirements such as laws, regulations, search warrants, subpoenas or court orders.

We take precautions to protect your Personal Information from loss, misuse, unauthorized access or disclosure, alteration, or destruction. All Personal Information is stored on a secured server protected from unauthorized access by a firewall and an access control system.

We will not destroy information about you when your access to the Site is terminated. However, the policies and procedures outlined in this policy continue to apply to protect the information of former users.

Aggregate Data

By using the Site, you agree to allow the data that you provide to us to be collected and combined with data we get from other users, on an anonymous basis. We reserve our right to use all of that data to produce non-personal, aggregate statistical information (Aggregate Data). We reserve the right to use, maintain, and update Aggregate Data.

We use Aggregate Data to, among other things, assess general usage trends and other patterns of use of the Site. We agree to protect your privacy by removing all personal identifiers from any Aggregate Data. We may use Aggregate Data for any legal purpose, and we may share Aggregate Data with business associates for research and product development purposes, but we will never provide that data in a format that identifies individuals.

Confidentiality on the Internet

Use of the Internet is solely at your own risk and is subject to all applicable local, state, national, and international laws and regulations. We take measures to protect the security of your Personal Information and to ensure that your choices for its intended use are honored. However, we cannot guarantee the confidentiality of any communication or material transmitted to us over the Internet. We are not responsible for the security of any information transmitted via the Internet.

Security of Site

Actual or attempted unauthorized use of the Site may result in criminal and/or civil prosecution. For your protection, we reserve the right to view, monitor, and record activity on the Site without notice or permission from you. Any information obtained by monitoring, reviewing or recording is subject to review by law enforcement organizations in connection with investigation or prosecution of possible criminal activity on the Site.

We have policies and procedures in place to protect the privacy and confidentiality of the user information that we collect and maintain. All personally identifiable user information is stored on our secured servers, behind a firewall at a data center. Access to data is strictly controlled with usernames and passwords. To help ensure the privacy of your data, you should never share your username and password with anyone. We also strongly recommend that you change your password frequently and store it in a safe place.

Limitation of Liability and Warranty

Use of the Site is entirely at your own risk. We are not responsible for the consequences of reliance on any information contained in or submitted to the Site, and the risk of injury from the foregoing rests entirely with you. The Site is provided "as is", without warranty of any kind, express or implied, including without limitation: (1) any concerning the availability, accuracy or content of information, products or services or results; and (2) any of title or warranties of merchantability or fitness for a particular purpose.

Neither Haztech or any of its agents, directors, employees, proprietors, partners, representatives, shareholders, servants, attorneys, successors and assigns will be liable for any indirect, incidental, special or consequential damages (including but not limited to lost profits and damages that result from inconvenience, delay or loss of use of the services provided at the Site) arising out of use of the Site, or the information contained on the Site, even if we have been advised of the possibility of such damages or losses. You hereby acknowledge that the provisions of this section will apply to your use of the Site and all content and information contained in the Site.
